

# Fundamental resources for creative projects

António Câmara

March 6th, 2023

## 1. Basic knowledge

Generative AI to help you

<https://makezine.com/article/craft/fine-art/generative-ai-for-makers-ai-has-truly-arrived-and-its-here-to-help-you-make-and-craft/>

Scientific literature on your topic

<https://www.b-on.pt/>

Patents

<https://www.google.com/patents>

Startup world

<https://www.crunchbase.com/>

Inventors' world

<https://www.kickstarter.com/>

<https://www.indiegogo.com/>

## 2. Basic skills

[How to write a blog post](#)

[On presentations](#)

[How to make a video](#)

[Using AI help in digital marketing](#)

[AI does it best](#)

## 3. Cheat sheets on relevant technologies

<https://www.techrepublic.com/resource-library/downloads/augmented-reality-for-business-cheat-sheet-free-pdf/>

<https://www.techrepublic.com/article/virtual-reality-a-cheat-sheet-for-business-pros/>

<https://stanford.edu/~shervine/teaching/cs-229/cheatsheet-machine-learning-tips-and-tricks>

<https://blog.hartleybrody.com/web-scraping-cheat-sheet/>

<https://cheatography.com/tag/unity/>
